A community where recovery, wellbeing and a satisfying life is possible and achievable for all.

OUR VISION

HOW TO MAKE A REFERRAL

» You can refer yourself
» You can refer someone else if they have given you consent to share their information

FILL OUT OUR ONLINE REFERRAL FORM:
www.sespir.com.au

OR CALL:
Referral Intake Line - 02 9330 9999
Or call and have a yarn with our Aboriginal Support Facilitator on 02 9504 6775

Once your referral has been received our Intake Officer will get back to you within 48 hours.
Even if Partners In Recovery is not a suitable program for you, we will find out who else can help and make sure you are linked in with those supports and services. This is called our “no wrong door policy”.

FOR MORE INFORMATION

For more information about the PIR program, please go to our website www.sespir.com.au

FEEDBACK & CONFIDENTIALITY

FEEDBACK: We welcome and encourage all feedback about SES PIR services and activities and will respond to any complaints quickly.
CONFIDENTIALITY: Your privacy and confidentiality will be respected at all times. In some circumstances we are required to notify relevant persons of safety related issues.

While the Australian Government Department of Health has contributed to the funding of this material, the information contained in it does not necessarily reflect the views of the Australian Government and is not advice that is provided, or information that is endorsed, by the Australian Government. South Eastern Sydney Partners In Recovery is managed by Central and Eastern Sydney PHN, a business unit of EIS Health limited. It is delivered by local organisations and funded by the Australian Government.

artwork by Deanna Schreiber
Dealing with my social and emotional well-being has been through yarning and making peace with myself. This has helped me to heal. My struggles have been of my own but they are also of my family and my community too. Working through my grief and hardship has helped me and helped my people.

- Partners In Recovery participant
